

**You work hard for everything you own.
Don't lose it due to an accident or critical illness!**

Would you be able to pay all your bills at only *55-60% of your regular income? Lifestyle Protection benefits are flexible so that you choose the amount of coverage you need in order to maintain your lifestyle if you are ever off work due to injury or critical illness.

- Up to \$3,000/month maximum benefit
- 12 month benefit -- paid monthly
- Premiums from \$10 - \$130.50/month
- 30-day elimination period or 30 days past diagnosis date

Lifestyle Protection Plan

What Lifestyle Protection Plan Covers:

- Your home rent or mortgage payments and/or your car lease/loan payments for up to 12 months if your unable to work due to and accident or critical illness
- Serious Injury Survivor Benefit of up to \$25,000
- More optional top-up products available...

Your home & your car are your two greatest assets next to your family...

Make sure they're covered!

*EI benefits pay 55% of gross income to a maximum of \$547/wk and traditional group benefits will usually only cover up to 60% of your gross income with a monthly maximum
