

Having a vehicle written-off can become very costly if you're not properly covered. Write-Off Protection will pay up to \$50,000 to assist in the event of a total loss.

Outstanding Loan Balance*: Covers the difference between your loan balance and the settlement amount you receive from your truck insurer, in the event of a total loss, up to the benefit amount purchased.

Down Payment: Don't lose the money you put down to purchase your new vehicle. This product provides you with up to \$5,000 to put towards a down payment on a new vehicle at the same dealership you purchased your current vehicle from.

Monthly GAP Protection

Details, Options, and Pricing:

- Up to \$50,000 in coverage
- Covers write-offs due to an accident
- Benefits can be used to pay money owed to your finance company and a down payment towards a new vehicle.
- Up to \$50,000 in Driver Injury Protection

*Monthly GAP Coverage Benefit Calculation:

With our Monthly GAP Coverage, your benefit amount is based on a specific calculation, which goes as follows:

AO = Amount Owning on Lease/Finance Contract

SA = Settlement Amount from Primary Insurer (Including any salvage amounts)

PO = Premium Owing = No. of Months Remaining on Finance Contract x Monthly Premium

$$\text{GAP Benefit} = \text{AO} - \text{SA} - \text{PO}$$
